*A Message from Bekki and Mike:* Mike and Bekki would like to thank Michelle and the entire team at the church for their help and support at our wedding day. Not only for making the day go perfectly but all the planning and thought that went into the wedding leading up. Special thanks go to the Priest, Vergers, Pianist and the Bell Ringers. Finally, we would like to thank all the parishioners for welcoming us to the parish and supporting us becoming members of the community.! We're currently enjoying sometime in the sun celebrating married life.

*Contemplative HeART – An Autumn Invitation.* During October and November, we hope to create a sacred space (within the Reflective Prayer Space) where art becomes a doorway to encounter God through prayer and contemplation. This is a special invitation for those in our church family who feel drawn to creativity—whether through painting, poetry, textiles, or any expressive form—to be part of this journey. If you're interested, please speak to Ann Marie or Jane for more details.

*August:* On 31<sup>st</sup> August there will not be a 10am service in Nettleham as we are invited to join the rest of the Local Mission Partnership at St Clement's, Fiskerton.

*To Love and Serve the Lord:* This course will be run here in September. See Michelle

*Jenny writes...*

As I write this, we are entering the first full week of the summer holidays, and, when it is published, we will be in August! My sister and her family have just visited on their way to their family holiday, and there seem to be children everywhere. Even though today may feel a little chilly, you cannot deny that it is summertime!

Summer brings with it the promise of fun, of enjoyment, of being able to put our day-to-day work to one side. Trips to the seaside or the cinema, barbecues, garden parties, holidays, days spent with family and friends. Perhaps even a Ceilidh, tickets still available (brazen plug here)! Summer is a time where life seems to be being lived to the fullest! I pray that each one of us will know today's blessings. That our summer will be filled with sunshine and smiles, fun and laughter, that we will experience the joy of new experiences and people.

*Weekly Prayer*

Creator God, who breathed this world into being,  
who is discernible within the harmony of nature,  
the perfection of a butterfly's wing,  
the grandeur of a mountain range,  
the soaring eagle and humming bird,  
thank you for this world which you have created.

Thank you for summer sun, which reminds us  
that your creative breath is still alive and active.

Thank you for the warmth of your love,  
sustaining this world, your garden.

We see your creation in the work of the seasons,  
in the moving of time.

Love incoming, Love, outflowing.

Grant us Lord, your peace in this season of our lives. Amen
