Hello,

My name is Chris Malone. I am the webmaster for my church = All Saints Church Nettleham, Lincolnshire in the diocese of Lincoln. The website address is asn.church.

I recently received, by post, the above version of the Prayer in Action. I think this is an excellent resource.

I am writing to ask permission to scan this and then use it on the website, unless you have an electronic version that you could send me to add to the website?

Kind regards & blessings,

Chris Malone  
ASN Webmaster

Hello Chris,

Thanks so much for your support and your kind words about Prayer in Action. Always encouraging for the team here to hear such things.

I have attached a digital version for you.

More than happy for you to use it!

Could you, if possible, credit Bible Society for the resource. Something like: Thanks to Bible Society for providing this resource.

Many blessings
