APCM Annual Parochial Church Meeting (APCM) and Annual Meeting of Parishioners (AMP) These meetings will take place on **Sunday 10th May 2026 at 11.30pm in All Saints, Nettleham**, following the 10am service. The APCM is open to all those on the electoral roll of the church and, in addition to receiving a number of reports about the life of the church, elects PCC lay members. This year there are five PCC vacancies, of which one is carried forward from a previous year. The PCC would welcome new members. Many thanks are given to Myfanwy Denton who is standing down this year. There are also elections this year for three deanery synod representatives, who are ex-officio members of the PCC. Russ Coulter is standing down and thanks are given for his service as deanery synod representative and lay chair. The AMP is for parishioners (those resident in the parish) and also those on the church electoral roll. Its main role is to elect two Churchwardens. Nominations need to be received before the meeting. Andy Lewis is stepping down as Churchwarden and the PCC is very thankful for his service. Nomination papers for all these roles are at the back of church with eligibility. Further information is available from Revd Michelle, the Churchwardens or myself. Sally Coulter

To Love and Serve The Lord Course will run in The Hub at 7pm and initial thoughts are to begin on Tuesday 2nd June. It's a great course if you are interested in deepening your Christian faith or exploring how you might be called to serve? The "To Love and Serve the Lord" course, offered by the Diocese of Lincoln, provides a welcoming space to grow in understanding, reflect on your vocation, and consider how you can live out your faith in everyday life.

9 Days of Prayer Since the beginning of the Church, the nine days between Ascension and Pentecost (known as the Novena) have been designated as a time for prayer for individuals and our church communities. This year we invite everyone in All Saints church and St. Mary's church Riseholme, to read and pray with the Archbishop of Canterbury's "Thy Kingdom Come" booklet entitled "God With Us". There are copies for all. Please also see the poster for more information about our prayer pebbles and how to be part of using them to create a prayer cairn.

Email we know that criminals can use widely available information about our church to target people by email. If you receive any email asking for money or assistance, even if not church related, we'd always be happy to help look over it or confirm whether it has come from us... or not!

Jenny's Farewell There is now a list of suggested food items at the back of the church for you to sign up to if you are coming to Jenny's farewell afternoon tea on Sunday 24th May. Please can you bring your contribution ready to serve prior to the farewell service. Thank you so much. It's going to be a lovely afternoon. J. Hanson

Can You Help? During our Tower Project we will be collecting information from our visitors to show our funder, *The National Lottery Heritage Fund*, how their funding is making a difference. It's important we collect as much information as possible, this might be through informal conversations with people, feedback forms, photo's, creative comment stations or online surveys. We need everyone to help us with data collection, it's really easy to do and can be fun to get to know our visitors more and chat about their experience. We are working with an evaluator who will be using the information to produce reports for the project and they have suggested delivering an informal training session next week, showing us the resources, the questions and providing some tips on how to collect the data. It would be wonderful if you could support this and come along to the session. There will be cake!

Weekly Prayer

Creator God,

whose will it is that the earth and the sea

should bear fruit in due season:

bless the labours of those who work on land and sea,

grant us a good harvest

and the grace always to rejoice in your fatherly care;

through Jesus Christ our Lord.

Amen
